

DEATH BECOMES US

This collection of taxidermy was photographed by **Andrea Ferrari** for his latest book, *Wild Window*. Ferrari gathered a range of stuffed animals for his project from Italian natural history museums — some examples dating back to 1750.

Andrea Ferrari's Wild Window is available as a limited edition book and as prints. For more information, visit michaeltoppengallery.com. Also on sale at the Paris Photo fair, at the Grand Palais, today
